

HSAA Girls Softball!

HSAA is in the planning and scheduling phase for High School Girls Softball starting fall 2017 and going into a full season spring 2018. Our goal is to form Varsity and Junior Varsity squads for the upcoming season.

A parent information meeting will be scheduled for the beginning of August 2017. Date/Time and Place TBD.

The coaches and team organizers are working on the program's details for the 2017 warm-up and 2018 season. Practices will begin in the fall along with a Monday night double-header league beginning September 2017. Regular season to start late January/early February 2018. Discussions include traveling to Tennessee for the NACA tournament in May 2018.
