HSAA LETTER JACKET GUIDELINES

HSAA has developed the HSAA Letter Jacket Program as a way to honor our high school athletes who have “lettered” in HSAA-sponsored high school sports. As such, the following Program guidelines apply:

~HSAA Letter Jackets may only be purchased for student-athletes who are participating in HSAA-sponsored high school sports programs (grades 9 through 12).

~HSAA will provide the HSAA Letter) with HSAA embroidered on the H. All applicable “sport” insert(s) (\$5.10 each) for that athlete (i.e., Baseball, Basketball, Cheerleading, Cross Country, Football, Golf, Soccer, Track & Field, Volleyball, and Water Polo) will also be embroidered on the letter H.

~HSAA will provide “Service Bars” to student-athletes (annually) representing the number of years a student-athlete has participated in the related HSAA-sponsored sports program. Please contact your coach/Commissioner for additional information.

~By wearing your HSAA Letterman Jacket, you are representing this organization. As such, we ask that any additions to your jacket be appropriate and applicable to your sport.

*Examples of appropriate additions could be the athlete’s name; “Class of 2018”; jersey numbers; 1st Place Regional Tournament, etc. HSAA **does** reserve the right to request the removal of any offensive, false, or inappropriate additions.*

We are proud of our Letter Jacket Program and want our student-athletes to honor the HSAA Sports Program.

HSAA Letter Jacket Q&A

Q. Who is eligible to purchase a jacket? [L] [SEP]

A. Any high school athlete (9th –12th grade) that has participated on an HSAA high school sports team may purchase a letter jacket.

Q. How do I order a jacket? [L] [SEP]

A. Download the order form from the HSAA website, and mail the form and check to the address on the form. Your team may have a sizing session, or you may visit the Jacket Supplier, Cardinal Sports Center, (listed on order form) to size your jacket.

Q. When are orders placed? [L] [SEP]

A. Typically, two orders are placed each year: Fall and Spring.

Q. What is the cost of a letter jacket? [L] [SEP]

A. The price may change from year to year based on the cost from the supplier. The order form is updated each year and will have the current cost.

Q. What comes on the jacket? [L] [SEP]

A. The cost of the jacket will include the “H” chenille letter on the front left side. The letters “HSAA” will be embroidered on the H. The athlete’s sport insert(s) (\$2.50 each) will also be embroidered into the “H”. If you participate in more than one sport, you can have more than one sport insert added (such as a football, baseball, basketball). Since the insert is embroidered into the “H”, additional inserts cannot be added after the initial order. You can purchase a new “H” or a sport symbol pin for any sport added after the initial purchase of your jacket.

Q. Can I add patches to my jacket? [L] [SEP]

A. The HSAA order form makes provision for you to order two patches: 3 1/2 inch jersey number patches and “Class of 20_” to indicate your graduation year. (See Form for current prices.) These can be ordered with the jacket or at a later date. Patches are ordered at the same time as jackets in order to achieve a minimum purchase quantity. If you place a separate order at a later date, the patch cost may increase. See the next few Q’s for additional information on patches available directly from the supplier.

Q. Can my name be added to my jacket?^[L]_[SEP]

A. Yes. Names can be stitched on the front or on the back. You can also have a chenille custom name patch made. If you are interested in any of these, you will need to contact Cardinal Sports directly before you turn in your order form to HSAA. These can also be added at any later date. Each chenille name patch is a special order and additional cost. Please see the form for supplier's contact information.

Q. Are there other patches I can add to my jacket?^[L]_[SEP] A. By wearing your HSAA letter jacket, you are representing our organization. We ask that any additions to your jacket be appropriate and applicable to your sport. Examples of other patches could be 1st Place Nationals 2016, MVP 2017, etc. HSAA does reserve the right to ask for the removal of any offensive, false, or inappropriate additions. If you're not certain, please ask.

Q. How do I earn pins and service bars to wear on my jacket?^[L]_[SEP]

A. HSAA awards each athlete with a JV and/or a Varsity pin to wear on the letter jacket during their high school years. One service bar is awarded yearly to an athlete for participation in one or more HSAA sport. These bars and pins are typically handed out at end-of-season events or at the All Sports Banquet by the Commissioner of each sport.
